FOR IMMEDIATE RELEASE

Regal Ware Builds on Growth Initiative

Kewaskum, Wisconsin (June 27, 2014) – Regal Ware today announced the sale of its home drinking water purification business unit to The Legacy Companies of Fort Lauderdale, Florida.

According to Jeff Reigle, President & CEO, the sale supports long-term growth initiatives being put in place by Regal Ware. No jobs will be lost as a result of the sale. Employees will be redeployed into other positions within the company.

The announcement comes on the heels of this week's announcement that Regal Ware was awarded low-interest loans from both Washington County and the City of West Bend for investment in their \$5 million project to invest in new, highly technical equipment for their West Bend, Wisconsin manufacturing facility. The new equipment will allow Regal Ware to improve efficiencies, expand production capacity, and improve competitiveness with foreign producers.

About Regal Ware Worldwide:

Regal Ware is the premier direct seller and manufacturer of high quality stainless steel cookware and cast aluminum cookware in the United States. Regal Ware's core values of integrity, dedication, performance and pride define the company, its innovative engineering and legacy of quality manufacturing that dates back to 1911. Regal Ware products are available direct-to-the-consumer through independent distributors worldwide. For more information visit www.regalware.com; and view our corporate video at <http://www.regalware.com/our-company/corporate-video>.

About The Legacy Companies:

The Legacy Companies designs, manufactures and markets food service equipment, home appliances and kitchen tools and accessories. The Legacy Companies was founded in 1998 on the premise that customer satisfaction and product quality is placed before all else. For more information visit www.thelegacycompanies.com.
